

**Women are facing toxic abuse and threats on Twitter.  
It's time for Twitter to provide a platform where women  
are able to express themselves freely and without fear.**

*Dear Jack Dorsey, Twitter CEO*

*I am calling on you to provide a safe space on social media to help stop online violence  
against women. This includes enforcing your own policies around hateful conduct and  
abuse, and promoting safety features so users have a less toxic experience.*
