

YOUTH STRATEGY

2020-2023

2020

- Membership will be available and attractive to all young people
- AIA will be diverse with the way schools requests are engaged with
- Youth leadership will be within all regions

2021

- AIA membership will be accessible to all young people
- AIA will have meaningful ways to engage u18s in our movement
- AIA will have youth leadership outside of metro areas

2022

- AIA's youth membership is meaningfully engaged with the national movement
- School leavers will become a valued part of AIA's national movement
- AIA will have diverse youth leaders that represent our movement and advise the organisation on Amnesty's direction

2023

- AIA will have a strong and visible youth leadership from a range of backgrounds, that lead, develop, advise and design Amnesty's direction at a national level
- There will be genuine opportunities for under 18's to participate in AIA and a strong pathway for school leavers to join AIA's movement
- AIA has a strong and sustainable youth membership base. Young AIA members are celebrated and are integral to achieving human rights impact
