Dear Mr Hunter

Thank you for your letter of 18 January 2021 regarding proposed curfews for young people in Alice Springs.

There are no proposed legislation changes relating to curfews for young people as there is no evidence that these work.

To improve community safety, we have committed record funding into areas of police, child protection, health, housing and education services, staffing and resources.

I thank you for raising your concerns and should you have any further enquiries regarding this matter please don't hesitate to make contact with my office (08) 8936 5547.

Yours sincerely

NICOLE MANISON
