**MOHAMED BAKER  
EGYPT**

# **LOCKED AWAY FOR DEFENDING FREEDOM**

Human rights lawyer Mohamed Baker must do without his wife, cats, and everyone else he loves. Falsely accused of terrorism, he's in prison for defending the rights of some of the most marginalized people in Egypt. The prison authorities are keeping him confined to his cell round the clock and are cruelly refusing him a bed, mattress, books, newspapers – even family photos. Defending people's freedoms should not cost him his own.

**Tell Egypt to release Mohamed immediately.**

INJUSTICE.**
