REPORTING THE TRUTH ABOUT COVID-19 GOT HER LOCKED UP

When Wuhan went into lockdown, Zhang Zhan was one of the few citizen journalists to report on the unfolding Covid-19 crisis. Determined to get the truth out, the former lawyer travelled there in February 2020. She took to social media to report how government officials had detained independent reporters and harassed families of Covid-19 patients. She was later detained and sentenced to four years in prison to silence her.

Tell China to free Zhang Zhan immediately.
